Kettering Cliff Hangers

a. Executive Summary

1. The Kettering Cliff Hangers will provide a way for members of GMTE interested in the sport of rock climbing to learn about and participate in the sport. The club is also the perfect chance to get in shape for those members of GMTE who shy away from traditional forms of exercise including weightlifting and running. The club will meet as often during the school term as is determined by the club President and Vice-President (meetings are recommended semi-weekly). During the meetings, the club will discuss interesting places to climb, occasionally provide speakers and presentations and discuss club outings. Club outings will occur as often as the budget allows. Outings include but are not limited to trips to Planet Rock in Pontiac and Ann Arbor and to Grand Ledge in Lansing. The outings to Planet Rock will provide the membership with a chance to take lessons in climbing and safety and provide them with a chance to actually climb. Outings to Grand Ledge and other natural rock climbs will provide members with a chance to test their skills in a natural environment.

2. Our Mission: To provide members of GMTE who are interested in climbing or would like to get in shape but do not enjoy traditional workout methods with a way to do so.

3. The Kettering Cliff Hangers will provide B-Section students with a forum for meeting other students interested in climbing.
4. The Kettering Cliff Hangers will benefit the members of GMTE by giving them an opportunity to develop a new skill, participate on campus, meet new people with similar interests, and improve physical fitness in a non-traditional workout environment.

b. Constitution

1. The purpose and objective of the Kettering Cliff Hangers is to provide a way for members of GMTE interested in the sport of rock climbing to learn about and participate in the sport.

c. Definition of Membership

1. Club meetings are open to all, regardless of club membership.

   Membership is open to members of GMTE who are interested in rock climbing.

2. Membership requires the individual to have attended at least 50% of the Kettering Cliff Hangers meetings for the prior B-Section school term or to have attended at least 75% of the Kettering Cliff Hangers meetings of the current school term.

d. Structure of Organization

1. Definition of Officers

   - President - The president is the presiding officer at all meetings and is the person through whom all contact with GMTE shall be made.
   - Vice-President - The vice-president shall preside over meetings when the President is unavailable and is in charge of the club constitution.
He/She is also responsible for arranging club outings and scheduling meetings.

- Secretary/Treasurer-The secretary/treasury is in charge of all correspondence to members, inventory of equipment, club finances, and meeting minutes.

- Public Relations Chair-The public relations chair is in charge of advertising for club meetings and events and is the club's webmaster.

2. Selection process

- Officers will be elected 10'h week of fall term by a majority vote of the membership of the club. Nominations will take place during the meeting before elections. The elections will take place in the following order: President, Vice-President, Secretary/Treasurer, and finally Public Relations Chair. In the case that no nominee receives a majority of votes, the nominee with the lowest number of votes will be removed from the ballot and the membership will vote again.
